

# MEPRO MPO-DF

## Open Emitter Pistol Sight with 3.5 MOA Dot

The Mepro MPO-DF is an open reflex red dot sight specially designed for full-sized pistols. This cost-effective optic punches far above its cost.

It features a 3.5 MOA red dot reticle, RMR footprint, automatic and manual brightness controls, and a CR1632 battery lasting 2 years. It is water, shock, and fog proof making this optic stand out from the crowd.

The Mepro MPO-DF allows you to upgrade your current sighting system with money left over for more ammo.

The Meprolight® name means we only produce products we, ourselves use and carry in defense of ourselves and our families. Choose the best, choose Meprolight®.
