ADVANCED TACTICAL RIFLESCOPE

7-35x56

Extended Long Range

Focal Plane	First
Objective diameter	56 mm
Tube diameter	34 mm
Internal adjustment	e: 100 MOA; w: 60 MOA e: 27 Mil; w: 16 Mil
Click value	.25 MOA; .10 Mil
Parallax adjustment	10m - ∞
Exit pupil	7x: 6.0 mm; 35x: 1.6mm
Eye relief	83 - 91 mm / 3.3 - 3.6 in
Field of view @ 100Y	7x: 15.0 ft; 35x: 3.4 ft
Overall length	16.0 in
Weight	39.3 oz
Mounting length	6.5 in
PTL	Standard
Available Reticles	MIL-C™, MIL-R™ MOAR™, TReMoR3™
Illumination	DigIllum™
Elevation feature	ZeroStop™

As shooters continue to push the limits of rifle and cartridge performance, Nightforce® continues to exceed the needed performance in riflescope technology by introducing the ATACR™ 7-35 x 56 F1.

With its extensive magnification range and legendary ATACR™ optical performance, via an ED glass package, the ATACR™ 7-35 x 56 F1 will push the boundaries of even the most capable of today's long range cartridges.

With parallax adjustment down to 10 meters and 100 MOA of elevation travel, precision is attainable from short range distances to as far as any modern extreme long range rifle and cartridge can reach.

This riflescope offers an incredible field of view across the entire magnification range, making targets easy to find, identify and engage. Whether the need is for competition like the Precision Rifle Series (PRS), or extreme long range shooting, this riflescope delivers unmatched precision and repeatability.

The Nightforce ATACR™ series of riflescopes has been proven across the world to be the best riflescopes money can buy. The ATACR™ 7-35 x 56 F1 brings this proven performance to an entirely new level that helps shooters to meet and exceed the limits of their precision rifle system.
