ACCESSORIES:

KILO10K BINOCULARS

The KILO10K-ABS has a maximum reflective range of 10,000 yards and includes Applied Ballistics Elite (BDX Elite) onboard along with environmental sensors and digital compass; the KILO10K also supports BDX External (BDX-X) for connecting to external devices such as Kestrel and Garmin devices.

6MM CREEDMOOR, 107GR, ELITE MATCH GRADE, OTM

Featuring a 107gr Sierra MatchKing® bullet, the 6mm Creedmoor Elite Match OTM load has a muzzle velocity of 2,950 fps and muzzle energy of 2,067 ft-lbs. This is a long-range round that performs well in wind thanks to its high ballistic coefficient and flat trajectory.
