- Hard anodized finish
- Compact and lightweight
- Shockproof, fogproof, waterproof
- Fully multi-coated optics

### INCLUDED ACCESSORIES

- Flip up lens covers
- 30mm scope rings
- CR2032 battery

Specifically calibrated for the .223, the Sightmark Core TX 4x32 AR-223 Rifle scope sets the standard when taking close-medium range shots. Perfect for tactical operations, competition, target shooting or hunting, the Core TX 4x32 Rifle scope features exposed, pop-up, locking turrets to prevent loss of zero. Fixed 4x magnification and a fine-etched bullet-drop-compensating (BDC) reticle, including adjustable red and green illumination, makes target acquisition faster and easier, even in low-light conditions. The Core TX 4x32 even includes a throw lever for lightning fast, on-the-fly magnification adjustments. Hard-anodized, matte black, 6061-T6 aircraft-grade aluminum construction and advanced, fully multi-coated glass provides the same uncompromising quality and image performance demanding shooters have come to expect from Sightmark. Ready to handle your extreme environments, the Sightmark Core TX 4x32 AR-223 Rifle scope is nitrogen-filled, waterproof, fogproof, dustproof and shockproof.
