- Aircraft grade aluminum
- Hard anodized finish
- Shockproof, fogproof, waterproof
- Fully multi-coated optics

### INCLUDED ACCESSORIES

- Flip up lens covers
- 30mm scope rings
- CR2032 battery

Specifically calibrated for the .223 and .308 cartridges, the Sightmark Core TX 4x32DCR .223/.308 BDC Riflescope sets the standard when taking close-medium range shots. Perfect for competition, target shooting or hunting, the Core TX 4x32 Dual Caliber Riflescope features exposed, lockable turrets helping prevent loss of zero. Fixed 4x magnification and a fine-etched bullet-drop-compensating (BDC) reticle, calibrated for .223 and .308, including adjustable red and green illumination, makes target acquisition faster and easier, even in low-light conditions. Hard-anodized, matte black, 6061-T6 aircraft-grade aluminum construction and advanced, fully multi-coated glass provides the same uncompromising quality and image performance demanding shooters have come to expect from Sightmark. Rated for recoil up to .50-cal. and ready to handle your extreme environments, the Sightmark Core TX 4x32 DCR .223-.308 BDC Riflescope is nitrogen-filled, waterproof, fogproof, dustproof and shockproof.
