Sightmark Rapid M1 2-7x32 Riflescope helps you make your mark... faster. This precision second-focal-plane scope features 2-7x magnification for close- to mid-range shooting, a finely etched tapered duplex reticle (TDR) with red illumination and 10 brightness settings and ½ MOA windage and elevation adjustments to get you center mass, even when the wind picks up, while a generous 8" eye relief delivers robust field of view. True to the Sightmark brand, the nitrogen-filled, IP67 waterproof, shock proof and fog proof Sightmark Rapid M1 2-7x32 Riflescope boasts a hardened anodized 6061-T6 aluminum 30mm tube and an advanced, fully-multicoated, scratch resistant lens system.
