

BANTAM™ HD

6.5x32 YOUTH BINOCULAR

ELEVATOR PITCH

The Bantam™ HD 6.5x32 binocular delivers all the clarity, durability, and performance you expect in a compact package, ergonomically designed for youth hands and faces.

WHY DID WE MAKE THIS PRODUCT?

To provide a compact binocular that is specifically made for youth hunters. This includes smaller grips for youth hands, a larger field of view for quicker target acquisition, and a durable roof prism design.

HOW DOES THIS OPTIC COMPARE TO THE OTHER VORTEX® MODELS?

The Bantam™ HD 6.5x32 is the first Vortex® binocular specifically made for youth hunters. Optically, it is a step below the Triumph® HD.

WHAT ARE THE TOP USES FOR THIS PRODUCT?

Youth hunting and other outdoor recreation.

WHERE IS THIS UNIT MADE?

China.
