The Razor[®] HD Gen III 1-10x is nothing less than your opportunity to shoot without limits. The next evolution of our wildly popular Razor[®] line, the Razor[®] Gen III 1-10x24 brings the highest level of First Focal Plane performance to those who demand the versatility of 1-10x power. Military, law enforcement, and competition shooters alike will love the clarity of an HD optical system and a crisp, illuminated reticle in a package that weighs the same as our 1-6x, but doesn't sacrifice any durability. A true 1x on the low end and daylight bright illumination for reliable performance in all conditions make this a single solution for close-quarters and long-range.
